 disease in eastern Libya, prevalence and pattern, 106  
 failure, acute, complicating cardio-pulmonary bypass surgery, hyperuricaemia as cause: correspondence, 159  
 end-stage, optimum treatment: annotation, 164  
 moderate, effect of low dose 1  $\alpha$ -hydroxycholecalciferol on glomerular filtration rate, 810  
 functional damage in urinary tract infection, age as main determinant, 963  
 size in preterm and term infants, real-time ultrasound measurement: short report, 145  
 transplants, growth after, 110
- Renin, low, hypertension, fatal, cortisol metabolism disturbance: short report, 1018
- Respiratory  
 distress syndrome, exogenous surfactant treatment: annotation, 321  
 idiopathic, effects of artificial surfactant on lung function and blood gases: short report, 458  
 infections, coronavirus, epidemiology, 500  
 tract infection, lower, apnoea in, frequency and severity, in infancy, 497

- Resuscitation, face mask,  
does it lead to gastric distension? 373  
safety and efficacy, 651, P
- Reye's syndrome, aetiology: annotation, 670
- Rhesus incompatibility, unrecognised, 1933: fifty years ago, 866
- Rheumatic disease, chronic, articular hypermobility simulating, 988
- Rhinitis due to the Klebs-Loeffler bacillus, treatment: fifty years ago, 437
- Rickets,  
familial hypophosphataemic, early treatment: short report, 1020  
in preterm infant; hypocalcaemia after calcium and phosphorus supplementation: short report, 629  
of immaturity, plasma alkaline phosphatase activity: correspondence, 157  
in low birthweight infants: correspondence, 396  
plasma 25-hydroxyvitamin D: correspondence, 476
- Rottenrow endotracheal tube holder: short report, 155
- Routine care procedures, effects on transcutaneous oxygen in neonates, 20
- Rubella, intrauterine, nerve deaf child, 327
- Salbutamol  
inhalational powder and tablets combined in asthma, 283  
and theophylline, oral, effects in asthma: correspondence, 78
- Salt-losing congenital adrenal hyperplasia, influence of breast feeding: short report, 71
- Schönlein-Henoch syndrome,  
fibrin stabilising factor, diagnostic and prognostic value, 12  
muscle involvement: short report, 929
- Seizures,  
family history: annotation, 404  
neonatal, diagnosis by continuous recording and rapid analysis of the electroencephalogram, 785: 647, P  
pyridoxine dependent, 415
